

Workshop Information

In a late change to our show, our original speaker is unable to join us.

**We are absolutely delighted to be able to offer Lectures and Workshops with
Becky Goldsmith of Piece O' Cake Designs (pieceocake.com)**

Becky will be lecturing at the show at 1 PM each day, Saturday and Sunday. She will also be offering two workshops: a half day Sunday morning and a full day on Monday. Space in each workshop is limited to the first 20 paid participants. A non-refundable check for \$30 for the Sunday 3 hour workshop and \$40 for the Monday 6 hour workshop, made out to Dutchess Heritage Quilt Show, must accompany each registration. A detailed materials list will be sent to each participant with registration confirmation and is available at pieceocake.com.

The Sunday workshop will be offered only if we have at least 13 paid registrations by August 1, so please sign up now!

**Workshop: Red Hot Poker (\$30)
Date: Sunday, October 9, 2011
Time: 9 am to 12 noon, Falcon Hall Dance Studio**

Learn to *appliqué with attitude* - the Piece O' Cake way! When you appliqué with attitude, your stitches not only hold your appliqué in place, they embellish it as well! You will learn the tricks of needle turn hand appliqué with perle cotton in this class for all skill levels. This appliqué method is fast and fun and very cute! We will cover three different stitches in class. You can appliqué on a cotton tea towel or make a block to use in a pillow or small quilt. The pattern is included. This class is suitable for all skill levels.

**Workshop: My Whimsical Quilt Garden (\$40)
Date: Monday, October 10, 2011
Time: 9 am to 3 pm, Dutchess Lounge East**

Learn hand appliqué techniques while you work on a quilt that has just about the cutest birds and flowers you'll ever see! In addition to easy template making and how to make and use a placement for appliqué, you will perfect your invisible appliqué stitch as you work on your block in class. Stitching techniques in the 10" block include cutaway appliqué, points, and curves. The block pattern is included. This class is suitable for all skill levels.
